1. Enter your museum's credentials, issued by the Smithsonian Affiliations office.
Username – issued to you ALL CAPS (cannot be modified by user)
2. **Password** – created by the administrator and issued to you to log in (can be modified after successfully logging into the site)
3. 30 minute Session - As a security feature the session expires after **30 minutes**; if you are logged in for 30 minutes you will be prompted to log in again after the half hour mark.

Welcome Angela Nidasio

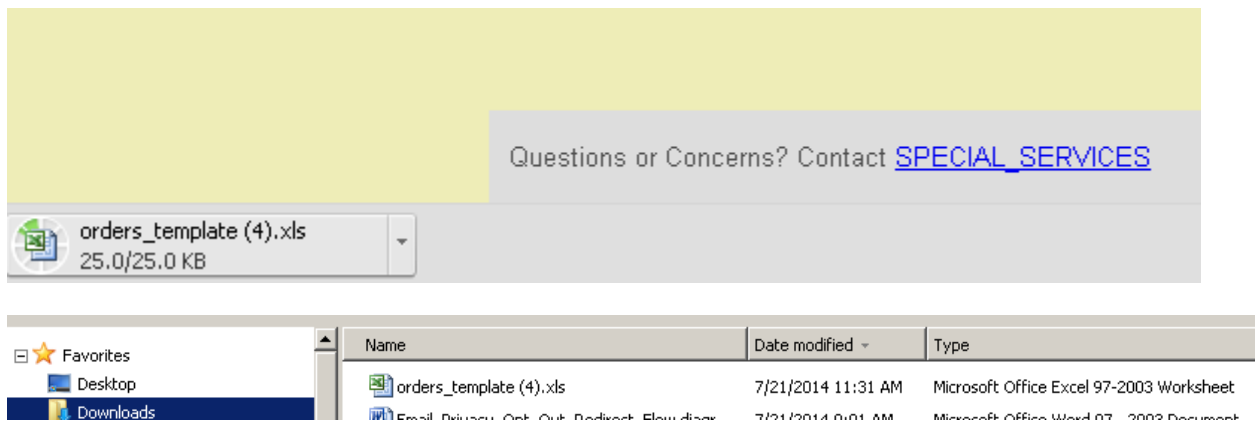

This utility application is designed to upload bulk orders for processing. Maximum of 100 orders are allowed at a time.

4. **Site Navigation:** above is a screenshot of the site navigation and tabs of the online payment portal.
5. **Changing Your Password:** Click on “Change Password” tab to change your museum’s password from the previously assigned password to a unique password of your choice.

Note: passwords can be reset by Smithsonian administration; however, please record your new password for future log- ins.

6. **Submitting your Member Information for Processing and Fulfillment:**

- Click on the “Download template” tab and it will automatically download the payment template to the local “download” folder on your computer. The download will be visible at the bottom left corner of the browser: the file name will appear as: **Orders_template.xls**.
- Open the **orders_template-1.xls** file and save the template to a folder of your choice.

- Open the template from the saved folder/file location on your computer.

10. Enter the credit card information in the Create Orders form (see screenshot below).

Credit card verified successfully.
Your credit card has been verified. Please upload the orders file to process the orders.
Browse the file path: No file chosen

12. Upload the member information/order excel file that saved on your local computer. Click the 'Browse' button from the Order Processing Utility screen to access the file on your local computer.
13. Please remember to save your file with a file name which is easily identifiable by you. Example – **orders_Tampa_history_museum_july_21_2014.xls**

14. When the file is located, click the "Upload file to Process order" button. A confirmation page will appear confirming the successful upload.
15. At this stage, the information will be verified. **If there are any errors, it must be fixed in the excel file and uploaded again to process the order.** Once the verification is confirmed successful, click the "Confirm order."

NOTE – If an incorrect file is uploaded, click the back button in the browser and upload the correct file.
